- ❖ Please remember that tomorrow is a Pro-D day for staff.
- ❖ Our Hip Hop program concluded today, and I will be putting together a video of all the performances. The kids had so much fun! Video will be shared with families next week.
- ❖ We have created new recess zones in an attempt to keep the students off the field for a while. When the weather dries up, we will go back to our original recess zones.
- ❖ Please remember that if you are a business owner, you can advertise for your business on our school website! This year, it is by donation, with funds going to our fundraising. Thank you in advance for your consideration and support.
- ❖ Students have been reminded that they need to take back home what is left from their lunch and recess. Due to COVID health and safety regulations, we have been asked to keep compost, recycling and garbage to a minimum. Please remind your child(ren) as well to bring back leftover lunch, containers, juiceboxes, wrappers, etc.
- ❖ I will be starting to meet with Spelling Bee participants next week. Students are asked to have their spelling words with them on the meeting day. Grade 7s will mee with me the following week.

Thank you for your continued support. Have a great weekend!

God Bless,

C. Heah
Principal

*Please remember to perform daily health screenings prior to sending your child(ren) to school. Any students coming to school with any symptoms will be sent home immediately.

**All students are expected to be in Top Marks uniform items unless a request for exemption due to medical or financial reasons has been submitted to and approved by PEC.
